OMAR WALIED MOHAMED ISMAEEL

Software Engineering · AI & Machine Learning · Automation

Cairo, Egypt | omarwalied373@gmail.com | +20 114 506 7508

PROFESSIONAL SUMMARY

Computer Science and Artificial Intelligence student at Ain Shams University with hands-on experience in full-stack development, backend engineering, data science, and workflow automation. Built web applications with ASP.NET Core, React, Node.js, SQL Server, MongoDB, and Oracle; explored predictive modeling with Python and Scikit-learn. Seeking software engineering, AI/ML, or automation internship opportunities.

EDUCATION

B.Sc. Computer Science and Artificial Intelligence | Ain Shams University, Cairo | Sep 2024 – Present

- CGPA: 3.7 (as listed in the provided CV).
- Selected for the fully funded Ex-USAID scholarship program; the program was subsequently terminated.
- Completed an 80-contact-hour pre-academic program at AUC School of Continuing Education.

PROFESSIONAL EXPERIENCE

Invigilator (Part-Time) | British Council Egypt, Cairo | Oct 2025 – Present

- Support secure delivery of international assessments, including IELTS, through candidate ID verification and adherence to confidentiality protocols.
- Handle confidential assessment materials in line with awarding-body standards; received an “Excellent” (91–100%) venue staff performance rating.

Fitness Manager | Energia Fitness Center, Cairo | Jan 2024 – Present

- Apply fitness-program design and client-coaching skills; earned the ISSA Certified Personal Trainer (CPT) credential.

Full-Stack .NET Web Developer Trainee | Digital Egypt Pioneers Initiative (DEPI), Remote | Nov 2024 – May 2025

- Completed the Full-Stack .NET Web Developer and Business English tracks in a national ICT capacity-building program.

SELECTED PROJECTS

Topsail Steamer AI Operating System | Operations dashboard & workflow automation | 2026

- Contributed to operations dashboards and workflows for invoice processing, vendor/item data, and business reporting using n8n, Supabase, and web deployment tools.

Hotel Booking Cancellation Prediction — 2nd Place | Python, Pandas, NumPy, Scikit-learn, XGBoost | Data Science Summer Training

- Engineered features from a 100K+ row dataset, handled missing values/outliers/encoding, benchmarked classification models, and evaluated results with classification reports and confusion matrices.

Mazadly — Full-Stack Auction & Marketplace | React, TypeScript, Node.js, Express, MongoDB |

- Built listings, bidding, buy requests, notifications, admin moderation, REST API/data models, JWT authentication, and Cloudinary image uploads.

Student Tracking System | ASP.NET Core MVC, C#, EF Core, SQL Server |

- Built role-based Admin/Teacher/Student dashboards and assignment, quiz, attendance, scoring, and email/SMS notification modules.

Image Filters & Complexity Analysis | C#, .NET, Windows Forms |

- Benchmarked median and midpoint noise filters, comparing sorting, selection, and running-histogram approaches.

Magazine Management System | Oracle, SQL/PLSQL, C# Windows Forms |

- Co-authored requirements/UML, designed a normalized nine-table schema, and connected a desktop interface to stored procedures.

TECHNICAL SKILLS

Programming: Python, C#, JavaScript, TypeScript, SQL, PL/SQL, HTML, CSS
Web & Backend: React, Node.js, Express, ASP.NET Core, .NET, REST APIs, JWT
AI & Data: Pandas, NumPy, Scikit-learn, XGBoost, predictive modeling fundamentals
Databases: SQL Server, MongoDB, Oracle; relational and NoSQL design
Automation & Tools: n8n, Supabase, Git/GitHub, Postman, Cloudinary, Vite
Engineering: OOP, data structures, UML, SRS, ER modeling, algorithm analysis

CERTIFICATIONS, LEADERSHIP & LANGUAGES

Data Science Summer Training (2nd Place); Generative AI — CIB (Jul 2026); AI/ML Summer Camp — Sprints × Microsoft (40 hours); AWS AI Practitioner Challenge — Udacity/Accenture (Jun 2026); DEPI Full-Stack .NET and Business English tracks; Meta Front-End; MCIT/ITIDA/Udacity Web Development; Git/GitHub; McKinsey.org Forward Program (Jun 2026).

Arab Youth Summit Certificate of Appreciation (Nov 2024); led four Ramadan meal-distribution events supporting sanitation workers. **Languages:** Arabic (Native), English (Professional Working Proficiency; B2 previously stated), German (Basic).
